# My Rules For Life

George W. DeHoff

11. I try never to say anything behind a man's back that would give me the least embarrassment to say to his face.
12. I try never to speak back to personal critics. Friends do not need to hear the defense, and enemies would not believe it.
13. Every day I greet every person I see with a smile and make a special effort to do so if the person is poor or in unfortunate circumstances.
14. The first thing when I awake in the morning. I plan what my duty for the day is and try to go beyond it.
15. Every day I read from the Bible and some other good books. Feeding the mind and soul is more important than feeding the body.
16. I try to pay every debt I owe on time and always save something from every paycheck, however small.
17. I like people and never harbor any malice or hatred toward any person in the world. I have yet to be anywhere that I do not like, as I go with the intention of liking the place.
18. I am a confirmed optimist, believing that even in this life evil men will be punished by their own unhappiness, and good men will be rewarded. "it's better further on."
19. I try to close each day as if it were the last day I'd be on earth, closing the books on all regrets, worries and annoyances.
20. The last thing I do at night is to count, one by one, the blessings of the day. This makes me so thankful and happy that I soon drift into pleasant sleep. In this spirit I hope to close life's journey and drift into eternity.

## THE FAMILY

**The family is like a book—  
The children are the leaves,  
The parents are the covers  
That protecting beauty gives.**

**At first the pages of the book  
Are blank and purely fair,  
But time soon writes memories  
And paints pictures there.**

**Love is the little golden clasp  
That bindeth up the trust;  
O, break it not, lest all the leaves  
Should scatter and be lost.**

## LOVE

Slow to suspect—quick to trust,  
Slow to condemn—quick to justify,  
Slow to offend—quick to defend,  
Slow to expose—quick to shield,  
Slow to reprimand—quick to forbear,  
Slow to belittle—quick to appreciate,  
Slow to demand—quick to give,  
Slow to provoke—quick to conciliate,  
Slow to hinder—quick to help,  
Slow to resent—quick to forgive.
